

Proposed Accessibility Improvements to Public Right of Way at WSR PEDESTRIAN LEVEL CROSSING, GOVIERS LANE, WATCHET for West Somerset District Council West Somerset Railway & Somerset County Council (Highways)

Scale: 1:100 Drawn: JH Drg No: GL/03B
 Date: November 2011

LEGEND

- ① Sign 101 "STOP LOOK LISTEN BEWARE OF TRAINS"
- ② Marking 1021-1 Edge of carriage way/crossing
- ③ Ex'ng arris rail trespass guard shortened to 2m line
- ④ Chicane - min width 1.5m between guard rails
- ⑤ Reuse ex'ng gate to maintain 'closed' crossing & continuity of ex'ng Public Right of Way. Fit with self closing device & hang from 150x150 timber posts to dampen noise
- ⑥ Fencing to be white pallisade 1.3m high, to match ex'ng to boundary of WSR land.
- ⑦ Fencing to be white pallisade 0.9m high to 2m 'safe zone' adjacent to crossing
- ⑧ Handrail/guarding to ramp & new steps to BS8300
- ⑨ 'Corduroy' textured paving to BS8300 to top & bottom of steps
- ⑩ 'Corduroy' textured paving to BS8300 to indicate 2m 'safe zone'
- ⑪ 4 No new steps with contrast nosing to BS8300
- ⑫ Step added to ex'ng flight going & rise to match ex'ng contrast nosing to all steps to BS8300
- ⑬ Form level landings between step & ramp flights, to BS8300
- ⑭ Regrade ex'ng paths & make good surface to suit levels & falls of new ramped approach
- ⑮ Relocate ex'ng handrail on wall line to widen ex'ng ramp
- ⑯ Remove ex'ng KeeKlamp guarding & form new drop kerb
- ⑰ Retain as ex'ng
- ⑱ Remove ex'ng railings & excavate into bank to form new paved chicane approach.
