

The Last Connection!

27 May 2017

on board the Quantock Belle dining train

Four random passengers take a trip on the railway.

*However, they may not be as random as they seem, for a deadly secret ties them together, and one of them has just bought a return ticket for nothing. Has **Betty Kuddant** taken a fatal dare? Has **Jockie Klubb** ridden roughshod over the wrong person? Is **Annette Kirton** hiding something terrible? Or has **Pastor Kidneys** caught the wrong service? Luckily, **D.I. Bauls** is on the same train and will assist you to make the right connection.*

Dinner Menu

Canapés

Local Corn-fed Chicken Breast

served with a white wine and tarragon sauce,
fresh baby new potatoes and steamed green beans

Vegetarian option (pre-ordered only):

Chestnut and Sweet Potato Lasagne

(gluten- and lactose-free)

with custard or cream, or

Fresh Fruit Salad

Tea and Coffee service
