

USEFUL INFORMATION

All the information in this leaflet is believed correct at 26th February 2010, detailed in good faith and subject to availability. Regular updates will appear on the Railway's official website - www.West-Somerset-Railway.co.uk and also on www.wsr.org.uk and www.depg.org

Williton

At WILLITON you will have the chance to visit the excellent Diesel Heritage Centre, which features much information about the early Western Region diesels in particular. The shed/workshop of the Diesel & Electric Preservation Group will also be open, offering a rare glimpse inside, and diesel locomotives will be on display in the yard, some of which can be 'cabbed'. The D&EPG sheds and yard area will be open on all three days, 10am to 5pm.

Please note the engineering base of the WSRA, and the area around it, will NOT be open over the Mixed Traction Weekend.

Free Bus Link

A free bus service will be available operated by Quantock Motor Services linking Taunton Station, the Park and Ride car park at Silk Mills and Bishops Lydeard will run at least every 30 minutes. The service will start from 09.00 with the last bus connecting with the final train arrival at Bishops Lydeard.

Museums & Model Railways

The Gauge Museum at Bishops Lydeard, Somerset & Dorset Railway Trust museum at Washford and Blue Anchor Railway Museum will all be open. Trackwork display at Crowcombe Heathfield. The Taunton Model Railway Group's base at Bishops Lydeard will also be open (small separate admission charge payable).

Catering

Bar and buffet facilities will be available throughout the Gala on most trains serving a range of hot and cold food, tea/coffee and a range of alcoholic and non-alcoholic drinks.

At Stations: refreshments including hot food will be available at principal stations including **Bishops Lydeard, Williton, Watchet and Minehead**. Light refreshments should also be available at **Blue Anchor, Stogumber & Crowcombe Heathfield**.
