**Rail motoring for pleasure!  
Crowcombe Heathfield Station on the West Somerset Railway  
Saturday 23<sup>rd</sup> March 2013  
(this weekend is also the WSR Spring Steam Gala)**

Following the success of last year's evening shoot on the West Somerset Railway during the Spring Steam Gala, I am pleased to be able to announce an opportunity for another go, this time on Saturday 23<sup>rd</sup> March 2013 using the Great Western Society's stunning rail motor; our grateful thanks to the GWS for allowing us this opportunity.

Again, the setting could not be more ideal, posed against the backdrop of the classic Great Western station of Crowcombe Heathfield. Jason Cross has kindly agreed to light the event for us, and we will have over two hours of photography. All proceeds from the event will go to the West Somerset Railway.

As the rail motor has lighting, this year participants will be able to travel to Crowcombe Heathfield by train, allowing photographers to also experience travel on this remarkable vehicle after dark. The rail motor will leave Bishops Lydeard at 19.15 and photography will start at 19.30 hours. It is entirely up to participants whether they want to make their own way to the event or travel by train, though train travel is the option that dispenses with the need to worry about car parking. Departure from Crowcombe Heathfield for the return journey will be at 21.45 arriving at Bishops Lydeard at 22.00. Please take great care if travelling with tripods and camera equipment not to scratch the internal décor of the vehicle!

Admission will be by ticket only, and numbers will be strictly limited to allow all of those photographers attending to obtain high quality photographs. Confirmation and tickets will be sent out around seven days prior to the event, so please enclose a stamped addressed envelope with your booking form and cheque. *Should the event not run for any reason, all monies will be refunded in full; however, there will be no refunds for the event if it runs and you simply choose not to or cannot attend.*

We look forward to seeing a number of you in West Somerset in March 2013 for what promises to be an evening of atmospheric cameos and photo opportunities.

Regards,

*David*
